## AUGUST 2009 NEWSLETTER

Welcome returning member Shirley Duran and new members Maura Lillie, Sierra Lillie, Heather Lorensen and Amanda Peplow.

Don't know about everyone but seems like summer is just flying by. County Fairs are in full swing and the start of school is right around the corner.

Labor Day falls wrong this year so KS01 will not be having the Pre-Labor Day Show. If members are interested in having an added money show in October, sponsors or a \$20.00 per member donation as was suggested earlier in the year I will need to be made by the 1<sup>st</sup> of September in order to make it happen. You can either call and let me know what you want to do or email me. Everyone likes to run for money so this could be our biggest money maker of the year. We have had very few shows and as of right now the awards fund is lower than this time last year. Something to think about.

Don't forget to check the website for changes during the month. The website will carry the most updated news. Make this website one of your favorites so you have easy access to it.

**I am sharing with you an email that I received this week. Little things do matter.**

Gladys,

I was in Dodge City, KS this past weekend, and my aunt and I happened to run into Gennifer's husband - she was one of the girls that was killed on their way to the KS NBHA State finals. My aunt boards at the same barn Gennifer did, and knew her husband as well, I believe his name is Mike. He wanted to pass on to you and everyone else in KS-01 and the other districts that signed the cards on those girl's stall, how he appreciated the caring. He and her parents were completely overwhelmed with how many people signed the cards and the outpouring of sympathy they received. I told him that there was a moment of silence as well when each of the girls was going to run. He got a little emotional about that. I told him I would pass on his message to you, and to whomever else.

Nicole Wasylyshyn

## **Note from out State Director –**

### **To all Kansas NBHA Members:**

I want to thank all of our Kansas NBHA members for supporting our state organization and if you were able to compete at this year's 2009 Kansas NBHA State Championships then you know that we had another terrific year of competition and fun. Winners went away with payouts totaling \$43,870.15 and saddles and prizes well in excess of \$15,000.00. We had the largest Kansas NBHA State Show in history and its success was due not only to the support of our members but it just couldn't happen without great sponsors such as our Gold Level Sponsors, Purina Mills and Adequan. Don't miss out on another chance to win NBHA logo prizes below. You all are probably well aware that Geff and I truly believe in and promote our Gold Level Sponsor, Purina Mills LLC horse feeds and we are currently using the new Omolene 500, Senior and Strategy products on our ranch. You won't find a better feed company anywhere. Check out their newest web site at [www.purinadifference.com](http://www.purinadifference.com) to find out more. Contact Ernie Rodina of Purina Mills and see if you qualify for a Purina feed trial program. You can reach him at [ernest.rodina@purinamills.com](mailto:ernest.rodina@purinamills.com). Also want to provide you some information about our other Gold Level Sponsor, ADEQUAN. I have included some information about Adequan for you to consider. I started using Adequan about a year and a half ago and I am very pleased with the product and the company. They are a company that truly offers you a superior product to other joint products. It's not just a story line to sell the products-- ADEQUAN is an FDA approved product and has been studied extensively in the use and success in the joints of horses. Start asking and you'll find that nearly all of the top-level competitors use Adequan. Please take the time to review the attached information and consider it when the need arises on your ranch for joint care or therapy. Visit their web site at [www.adequan.com](http://www.adequan.com) to watch a terrific educational video chucked full of information not only about Adequan but about how your horse's joints work and what they need to work better. Take the on-line quiz and receive a gift from Adequan. You may also contact Allyn Mann of Adequan directly for more information at [amann@luitpold.com](mailto:amann@luitpold.com). We'd love to hear from our members who use Purina Mills horse feeds or Adequan. Please send us an e-mail or letter and let us know which products you use, how long and your success stories. If you would be interested in getting more information on either of the products, let us hear from you as well and we'll get you headed in the right direction! Be one of the first 10 Kansas NBHA members to submit your letter or e-mail and win an NBHA logo item. E-mail: [dawn@ksnbha.com](mailto:dawn@ksnbha.com) or write to Dawn Dawson 33691 K99 Hwy., Alma, KS 66401 Again, thank you to our members and to our great Gold Level Sponsors, Purina Mills and Adequan for all you do for the Kansas National Barrel Horse Association.
