Welcome new members Samantha Kiely and Shandra Sedlak.

State finals are fast approaching and the STATE FINALS Entry Forms will be on line this year, [www.ksnbha.com](http://www.ksnbha.com). You will be receiving a post card from Dawn Dawson, State Director, letting you know if you have qualified when the entry form goes on line. Print off the entry form, fill it out and mail it back to Dawn along with your check. If you have a question, call me.

Ashley Mallon has volunteered to take over the task of keeping points for us this year. She took over this task in February. If you have any questions you will still need to contact me first.

Emily Trout has asked that she no longer be responsible for the task of the Newsletter each month. She has been doing an awesome job so she will be missed. Everyone needs to thank her. I will be emailing the Newsletters to members as I have been doing. If you have been receiving the Newsletters by mail and have an email, please let me know so you can be added to the email list.

Open riding at Lawrence are 3/5, 3/19, 3/26, 4/9 and 4/16. For more information call 785-749-1737. They charge \$15.00 per person.

The Janet Stover Clinic, April 18-19 is beginning to fill up. If you are interested in coming you need to get your deposit to me. There will be an open jackpot on Friday night, April 17 beginning with warm-ups at 7:00, followed by Youth and Open. This jackpot hopefully will help pay for the expense of the Clinic so plan to participate.

Always remember that your donation to the concessions the day of our show is greatly appreciated. We have been buying items so we are not making much money off of the concessions. Judy puts a lot of work into making sure we have something to eat and drink and if KS01 does not benefit from her effort we may discontinue concessions.

The Average Buckle Series will begin January 11 and end on March 22. It is open to every runner not to just KS01 members.

As of now I have scheduled no shows for April. There is no indoor arena available and the weather is too iffy to schedule outside.

Don't forget to check the website for changes during the month. The website will carry the most updated news. Make this website one of your favorites so you have easy access to it.
